

ZOHO WORKDRIVE FOR ZOHO CRM

WORKDRIVE FOR CRM

We are excited to alert you to the Zoho's latest extension for CRM!
All your WorkDrive files easily accessed from Zoho CRM. No need to change applications, search for files and waste time. Another great process improvement that transfers to your bottom line.

HOW DOES IT WORK?

INSTALL

Install the Workdrive Extension

UPLOAD

Select the files you want to synchronise

FOLDER MANAGEMENT

Manage your folder structure directly from the CRM

FILE PREVIEW

Easily preview your files directly from Zoho CRM
